Dear Notary

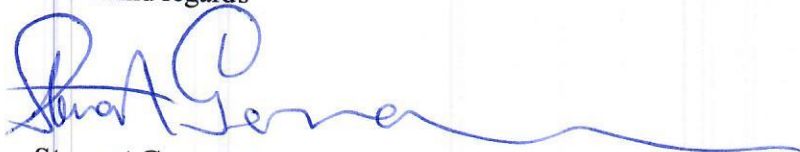

DOCUMENTS TO AVOID NOTARISING

I received an e-mail from one of our members who had received a request to notarise some unusual documents. All Notaries should be on the lookout for weird and unusual documents and you should refuse to notarise any of this material.

Such documents include Affidavit of Life, Hold Harmless Indemnity Agreement, Affidavit of Trustees Damage Compensation Charge Notice, Judicial Notice in Tort Accepted by the Honourable Trevor Mallard and similar documents.

Please be wary and on the lookout and refuse to become involved, in my opinion.

With kind regards

Stewart Germann
President
New Zealand Society of Notaries
